

Introduction

*I want to do what is right
I want to inspire others to do what is right
But to do so, I need to know or atleast
believe "what is right"*

*People disagree about what is right.
Philosophers disagree about what is right.
Who is right and who is wrong?
And does it really matter?*

*Maybe God can tell me?
But who and where is God?
I can't even tell who I am
or even where I am!*

Befriending Sophia is my personal quest to:

- Find myself*
- Find God*
- Learn "what is right"*

So I can do and share what is right
