

Praying in the objective world

To say "Our Father, Who art in heaven"

We can do an experiment and the objective world will answer us, with a result.

To ask For our daily bread.

We can work to create our daily bread.

To ask For Forgiveness

We can understand what we did wrong and thereby improve our actions.

To Forgive others

*We can give others a chance to improve their actions
- or to show us, why we ourselves need to improve.*

To avoid temptation, but be delivered from evil

We can remind ourselves of previous bad actions, to be delivered from their consequences.

Let it be so
